## **REQUISITION SPECIFICATION**

**PROJECT DESCRIPTION:** Provision of internet access failover solution for Centane Campus

### **SCOPE OF WORK:**

The Centane Campus are connected to the VC NKanga. When there is loadshedding, the Centane Campus have no internet. This happens even when the generator on.

The VC Nkanga HighTower is challenged by vandalism. The two campuses have a backup power that kicks in when there is loadshedding. Unfortunately for the Centane Campus, it is not the case because the high tower doesn't have backup power which makes the campus not have internet when there is loadshedding due to the mentioned reason.
